Overview

As Human Resource becomes part of the frontline and integral to the success of the business world, Human Resources Professionals are required fulfill the key role of integrating business strategy with people management practices.

The Human Resource in Practice (HRiP) Certificate Program is designed to prepare:

- Undergraduate/Graduates who desire to start a career in Human Resources (HR)
- Budding HR practitioners who wish to expand their hands-on experience in Human resources practice leveraging people technology, innovative and initiatives
- Professionals in other fields who wish to switch career path to Human Resources (HR)
- HR staff who are new to the profession
- Team and Project leaders and Administrators
- Line and Middle level managers in Human Resources, Finance, Production, Operations, Administration and Marketing functions
- Managers who play multiple roles including HR but do not have formal HR orientation
- Experienced Managers who are new to HR or pursuing a career change help human resources professionals prepare to become a truly strategic partner to the business, by acquiring essential skills, ranging from consulting and data literacy, to employee experience and business acumen.

Our aim is to sustain peak performance at all levels, improved value exchange in the workplace and for sustainable global impact.
